MORE DETAILS OF THE COMPANY

- ▶ Having made its mark as a technology driven and commitment based company, Sciens Technologies is surely headed towards becoming a leading Technology organization in the global front.
- ▶ The Founding team at Sciens, formed with diverse backgrounds like Information Technology, Marketing & Finance, is driving ahead with a common mission of emerging Sciens as the best services provider with optimum utilization of resources.
- ▶ Our diverse backgrounds have helped us derive a focused and innovative work culture and strong approach towards fulfilling client requirements.

OUR VALUES

Customer is our Business Partner

We value our clients as our business partners. Our contribution to their satisfaction and success, is our success.

We commit to understand clients business, to strategize proactive solutions than reactive.

Teamwork & Innovation

We value that technology innovation is not a spark, it is the result of constant learning and consistent adoption of working together as a team to create unique solutions.

Quality is utmost priority

“Quality” gives completion to our values. We deliver high quality

products every time and on time to thrive clients success.

MANAGEMENT TEAM

Mr. Kishan Tej, CEO

A passionate leader with first class communication skills and a long track record of successful management.

With a Masters in Engineering Management, he is an inspiring and motivational manager with first-rate interpersonal skills and the ability and passion to develop the vision of the company.

Ms. Bindu Priya, Managing Director

Passionate about success, this BITS Pilani alum made commitment a habit. Beliefs don't make you a better persons but your behavior does.

A good team builder, she always ensures that clear objectives and expectations are delivered and maintained. Nurturing and transforming self abilities to the current need is her biggest asset.

Mr. Krishna Chaitanya, CTO

BITS Pilani grad enriched with loads of technical knowledge and can cope up in any area with ease.

Entrepreneurial-spirited, pioneering technologist with 10+ years of executive-level experience, and implementing enabling technologies & enterprise systems that facilitate business processes.

OUR WORK APPROACH

Client Driven Project

The life cycle for any project is almost same, but it's the approach that you take is what makes you unique.

At Sciens, we believe a project can be driven best only by a "Client", since no one can better visualize the product than him. We involve client in every stage of the project from splitting the project into minute multiple modules to getting approval at the beginning and end of every phase.

Strong documentation is what helps us stay focused. Some of the documents we adapted:

- ▶ Functional Specification Document
- ▶ Wireframes
- ▶ Development Tracker
- ▶ Unit Testing Tracker
- ▶ Functional Testing Tracker
- ▶ Usability Document
- ▶ Project Completion Document
- ▶ Project Review Document
